# CLASH IN CONCERT

The Clash are now the best rock band in the world, not only because they are, but also because even people who don't know anything about rock have figured it out. Finally there is a band that says it right, means it, and puts it across the way bands like the Who and the Stones did in their day. Thank goodness for The Clash, that's all we've got to say . . .

*Paul, Mick, Joe, and Topper line-up for a marquee shot on 14th Street as Gruen snaps a pic.*

*Backstage warm-up finds the boys in pensive moods. (Pic: Bob Gruen).*

*Revolution rock, for real, as The Clash bring the audience to their feet and keep them there. (Pic: Bob Gruen). □*
