WHO

A wide-angle photograph capturing a massive outdoor gathering of people at night. The scene is dominated by a massive, illuminated sign that reads "WHO" in large, white, outlined letters. The letters are set against a dark, textured background, possibly a building or a large screen. The "W" is on the left, the "H" is in the center, and the "O" is on the right. The sign is brightly lit, casting a glow over the entire area. In front of the sign, a dense crowd of people is gathered, their figures silhouetted against the bright lights of the sign. The crowd extends from the foreground all the way to the base of the sign. The sky above is a pale, hazy blue, suggesting it might be dusk or dawn. The overall atmosphere is one of a major event or celebration.
